TASTING NOTES:

Light pink color, clean and bright. This is a completely different Rosé, with the nose resembling a white and the texture of a red. Stone fruits, fresh berries, creamy strawberries, watermelon, flowers such as lavender and rose petals. It's clean and subtle, elegant and balanced; it fills your mouth with nice volume and nice acidity. Great power of aging.

FOOD PAIRING: Appetizers, red and white grilled meat. Pastas and rices.
